

## SPINDLE to Launch Crowdsale

---

SPINDLE, which instantaneously became the largest ICO in Japan , will launch its first crowdsale (see <https://ico.spindle.zone>).

The crowdsale will be held globally for one week only (except for residents in Japan / USA / China).

In this Crowdsale, only ETH and BCH will be accepted from strategic implications. Crowdsale will be held from 9th May / 00: 00 (GMT) to 15th May / 00: 00 (GMT). The fixed rate of 0.00033 ETH is applied to all the transactions, and up to 30% of bonus will be provided for early applications.

Also, we kindly invite you to visit our SPINDLE crowdsale Website and create an account as soon as possible. Application will be closed on 15th May / 00: 00 (GMT).
